

HEAVY-LIFT HANDLING

BIG CHALLENGES, BIGGER MEANS

SABA provides the equipment and solutions for the lifting and transportation of over dimensions and heavy weight goods. A fleet of multi-axle trailers of up to 500 Tons capacity places SABA as a major contractor in electrical, petrochemical, oil and gas developments.

- Multi axle hydraulic trailers
- Forklifts and hydraulic and mechanical cranes.
- Extendable hydraulic lowbeds.
- Extendable air suspension lowbeds.

We provide Haulier's Liability Insurance of up to USD 150,000 per trailer load.
